SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Regional EOC	Coastal Regional EOC	Southern Regional EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/19, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Executive Order N-33-20**

On 03/19/20, the California State Public Health Officer and Director of the California Department of Public Health ordered all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain Continuity of Operations of the federal critical infrastructure sectors.

- **Global Health Advisory**

On 03/19/20, the U.S. Department of State issued a Global Health Advisory at Level 4 (Do Not Travel) due to the global impact of COVID-19.

- **FEMA-4482-DR-CA**

On 03/22/20, President Trump approved Major Declarations FEMA-4482-DR-CA (DR-4482) for the COVID-19 Pandemic.

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 07/21/20 at 1000 hours:

- 14,964,060 (+217,907) total confirmed cases in 213 countries
- 615,735 (+4,951) total deaths

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 07/21/20 at 1100 hours:

- 3,819,139 (+57,777) total confirmed cases
- 140,630 (+473) total deaths

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 07/21/20 at 1100 hours:

- 400,769 (+9,231) total confirmed cases
- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details.

SITUATION SUMMARY

Cal OES INLAND REGION

- See COVID-19 slides

WEATHER KEY POINTS

07/21/20 - 07/27/20

Tuesday-Wednesday

- Low to moderate heat impacts continue, especially for Inland and Southern regions. The warmest temperatures, compared to normal, will be over northern California this afternoon.
- Critical fire conditions forecast today for portions of northeast California, where thunderstorms may spark new fire starts and also produce gusty and erratic winds.
- Fire weather conditions may again become critical Wednesday afternoon for portions of northeast California due to additional thunderstorms.

Thursday-Monday

- Much more typical temperatures return from midweek through the weekend, greatly reducing the heat risk
- Isolated thunderstorms will continue over the central and southern Sierra Thursday through Sunday, but are expected to diminish in coverage through the weekend.
